1. Are you agreeable to the following membership responsibilities prescribed in the Constitution? Yes  No

**10. Membership eligibility, rights and duties:**

- 10.3 Members shall have the rights, duties and privileges which the executive Committee may determine from time to time, and may be prescribed by any rule or regulation which may be issued hereunder.
- 10.4 Upon admission to the Society, members shall be deemed to have subscribed to the provisions of this Constitution.
- 10.8 No members should receive any payment or honorarium from the Society and no member should be granted any loan by the "The Society".
- 10.9 No individual member or employee/staff shall use his or her position with the Society to gain any financial benefit, directly or indirectly, by their dealing with parties involved in either in procurement of goods, or delivery of services. A member elected to the Executive Committee shall state any interest that he or she has which could give rise to a conflict when exercising his or her duties as a member of that body.
